

B8 Reports, case studies and literature reviews (Unit 4.3)

1 Practice A

The plans below illustrate two proposals for redeveloping a site on a university campus. **Study the plans and then read the four sentences (a – d) which are the introduction to a report on the redevelopment. The order of the sentences has been mixed up. Put them in the correct order.**

Plan A

Plan B

- (a) This report attempts to compare the two schemes on this basis and to establish which is the more suitable.
- (b) The aim of the redevelopment is to improve facilities for both staff and students, and at the same time enhance the appearance of this part of the campus.
- (c) Due to the recent closure of the maintenance depot, a site approximately 250 metres long and 100 metres wide has recently become vacant on the west side of the university campus.
- (d) Two alternative schemes for redevelopment have been put forward, as can be seen in Plans A and B above.

2 Practice B

Write the rest of the report in about 250 words.
